## ALLIANT PRIVATE CLIENT CROWNED BEST INSURANCE BROKERAGE PROVIDER AT THE FWR AWARDS 2020

Alliant Private Client has been crowned 'Best Insurance Brokerage Provider' at the seventh *FAMILY WEALTH REPORT Awards*.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2019'.

Commenting on the firm's triumph, Cindy Zobian, Managing Director of Alliant Private Client said: "We are delighted to have been voted the winner of this prestigious award by so many of the industry's best. It is a true honor and a testament to the hard work that the team continues to put in year after year. Every member of our team continues to show tremendous passion and creativity to ensure we continue to deliver the highest level of service to our valued clients".

ClearView Financial Media's CEO, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to all the winners. He said: "The firms who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations. These awards were judged solely on the basis of entrants' submissions and their response to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management.
